Subject: Permission to setup Institute for Training of Trainers (IToTs) – Regarding

Sir/Madam,

Kindly refer to your application and subsequent submission of Detailed Project Report and presentation made by you to Directorate General of Employment & Training. It is hereby informed that you may go ahead with the setting up of Institute for Training of Trainers (IToTs), as per your proposal, subject to the following conditions:

- (i) This permission is accorded to set up IToTs without any financial commitment from the Government and it, ipso facto, does not guarantee affiliation of any trade/unit/module by National Council of Vocational Training (NCVT).
- (ii) The Institute will be required to follow course curriculum as prescribed by the NCVT. However, the Institute will be free to conduct training in additional modules, if any.
- (iii) The qualifications of Master Trainers will be as per those prescribed by the NCVT.
- (iv) The assessment of trainers will be under the guidance and supervision of NCVT in order to make them eligible for grant of NCVT certificates.
- (v) As per NCVT guidelines, No admission should be made, before getting affiliation of Trades/Modules from NCVT.

2. It is requested to kindly prepare the detailed schedule of construction, etc. so that the institute could be set up at the earliest and keep DGE&T informed about the progress from time to time. However, if there is any assistance needed, you may always get in touch with the mentor assigned to you or Shri Deepankar Mallick, Director, Training or me.

Yours faithfully,

(R.L. Singh)

Dy. Director General (Training)
