Subject: - Conduct of AITT of craft instructors under CITS (Modular pattern) alongwith AITT of craft instructors under CITS (Semester pattern) in the month of January/ July every year-regarding

Sir/Madam,

As you are aware that AITT of craft instructors under CITS (Modular pattern) is conducted in the month of January, April, July and October at the end of each module and AITT of craft instructors under CITS (Semester pattern) in the month of January and July at the end of each semester in a calendar year

The CITS (Modular pattern) is closed and CITS (Semester pattern) is in force since August 2014 and no. of trainees pertaining to CITS (Modular pattern) who are ready to appear in the forthcoming exam is very less. The competent authority has decided that AITT of Craft instructors under CITS (Modular pattern) will be conducted parallel alongwith AITT of Craft instructors under CITS (Semester pattern) in the month of January/July every year in future with immediate effect.

In view of above, you are requested to inform all the trainees of CITS (Modular pattern) that they can appear in AITT to be held in the month of July 2016 as no exam will be conducted in April 2016. It is also clarified that if they have completed the training of one module (Feb 16-Apr 16) they are also eligible to complete the next module from May 16-July 16 and appear in AITT for both the modules in July 2016. Last AITT of craft instructors under CITS (Modular pattern) will be conducted in January 2017.

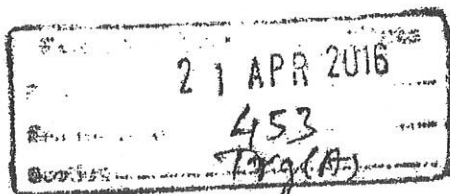

This is for your information and necessary action please.

Yours Faithfully

(K. Singh)
