✓ The Executive Director
National Instructional Media Institute
Guindy, Chennai-600032

Subject: Convocation Ceremony of pass-out candidates under All India Trade Test of Craft Instructor Training Scheme-reg.

Sir,

I am to draw your kind attention on the subject cited.

2. Director General (Training) during the 19th Meeting of CFI Division held on 03.09.2021 instructed that the work order/activities related to conduction and celebration of important events like Women's day, Skill Day, felicitation of top rankers of CTS/CITS/ATS, convocation ceremony of various AITT of DGT, launching of new trades etc. may be assigned to NIMI Chennai. NIMI, Chennai has to hire a dedicated agency/vendor and develop as a more generic agency for DGT to undertake all such celebration events of the DGT throughout the year as and when required.

3. In this regard, DGT is going to host its 1st National Level Annual Convocation for the graduating trainees trained in 33 National Skill Training Institutes (NSTIs) and 18 Institute for Training of Trainers (ITOTs) under CITS across the Nation in Hybrid Mode (limited in-person ceremony coupled with online attendance by graduating trainees, awardees, trainers, officials and guests) considering the prevailing situations and to avoid large gathering. The theme of the 1st Annual Convocation of the DGT will be "Jubilation of the success of Graduating Craft Instructor". The ceremony will be graced by the Hon'ble Prime Minister of India and is a very special day in the academic life of every student, as after his/her hard work and dedication, they will be getting certificate.

4. Therefore, as instructed by the DG(T), you are requested to please plan for convocation ceremony of pass-out candidates under All India Trade Test of Craft Instructor Training Scheme in the month of November 2021. This will be a lifelong remembrance for the graduating trainees and also will bring awareness in the society about Vocational /Skill Training. Hosting the Convocation in Hybrid Mode will felicitate to get connected the Alumni of the institute and all stakeholders who are spread all over the globe.

o/c

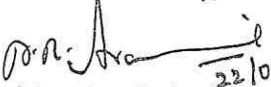

Please issue.
