"IT, Networking and Cloud Computing" during -2019 - reg.

Sir,

With reference to the e-mail communications on subject cited above, the content for publishing advertisement and schedule for the admission process is enclosed herewith. Accordingly, you are requested to tie up with M/s Aptech for conducting the online entrance admission.

NIMI also needs to put in place an online mechanism to process the admissions similar to one developed for admitting trainees under CITS during 2019-20 session. NIMI may utilize the registration charges collected from the trainees for the above said examination to meet the expenses incurred to conduct the admission process.

This issues with the approval of competent authority.

Yours faithfully,
