2. Directors dealing with Vocational Training of all States/ UT Administrations
3. Director, ATI Hyderabad, ATI Bombay, ATI Kolkata, ATI Kanpur, ATI Ludhiana, Principal CTI, Chennai

Subject: Enhancing the number of attempts for instructor trainees to pass All India Trade Test for Craft Instructors.

Sir/Madam,

This is to inform you that the 38th meeting of the National Council for Vocational Training (NCVT) under the Chairmanship Hon'ble Minister of Labour & Employment was held on 31st May, 2010. Enhancing the number of attempts for instructor trainees to pass All India Trade Test for Craft Instructors was discussed in the meeting vide agenda item No.3804.4.

The Council, after deliberation, approved that an instructor trainee would have to complete the training and pass all the modules within a period of three years from the date of admission in the first module of modular instructor training programme. Council also approved that for an instructor trainee, there would be no restriction on number of attempts to pass a module available within a period of three years from the date of admission in the first module.

Government of India has accepted the above recommendations of the council for implementation. Accordingly, there would be no restriction on number of attempts for instructor trainees to pass a module available within a period of three years from the date of admission in the first module. However, a trainee has to complete the training and pass all the modules within a period of three years from the date of admission in the first module of instructor training program.

Contd...

The above provisions will also be applicable to the instructor trainees of erstwhile Modular Craft Instructor Training Programme with the following conditions:

- (i) Trainees will be exempted from taking the test in the Modules in which they have already passed.
- (ii) Unsuccessful trainees of earlier Trade Technology-Module will have to pass in Trade Technology-I and Trade Technology-II Modules of the new modular pattern.
- (iii) Such trainees will have to pass all the Modules of present system within a period of 3 years from Aug 2009.
- (iv) There will be no restriction number of attempts within a period of 3 years from Aug 2009; and

Yours faithfully,

(R. J. Singh)

Director of Training

Member Secretary NCVT
