Subject: Strengthening of Vocational Training System in the bifurcated state of Andhra Pradesh-reg.

Sir,

We thank you for the reservation of 50 acres of land at Visakhapatnam for openings of NSTI. The DGT is actively considering setting up of NSTIs (General & Women exclusive) at the reserved land. As currently there is no ongoing scheme for establishment of NSTIs, the establishment of NSTIs at Visakhapatnam would require conceptualizing & sanctioning a new scheme in consultation with the State Government. One of the alternatives is to establish new NSTIs on the lines of National Institute of Fashion Technology wherein land building & equipment are all developed by the State from its resources & transferred to the Central Govt. office for operation & maintenance with some seats for domicile.

We would request you to consider this proposal & indicate your willingness on it, so that the steps are taken for early approvals on this proposal from the appropriate authority.

This issues with the approval of Competent Authority.
