Subject: Implementation of Aadhar Enabled Biometric Attendance System (AEBAS) in institutes implementing Crafts Instructor Training Scheme (CITS) -reg.

Sir / Madam,

As you are aware that Aadhar Enabled Biometric Attendance System (AEBAS) has been implemented by this Directorate General and the user credentials (user-id and password) have been assigned to the institutes to access <https://cndgt.dgtskillattendance.ac.in> based on the details received about Nodal officer from the respective institutes.

2. The following is conveyed for compliance:

- As per CITS curriculum, there is no provision of preparatory holidays for examination and no such holiday would be valid.
- Only notified Central Government / State Government holidays, as applicable, would be allowed during the academic year.
- At least ten days attendance is mandatory through AEBAS for CITS trainees during academic session 2018-19. This would be one of the pre-conditions for hall ticket generation through NCVT-MIS CFI portal.
- Number of hours of training as per CITS curriculum should be ensured.

3. Further, it is conveyed that during CITS session 2019-20, 80% attendance of CITS trainees through AEBAS would be compulsory and would be one of the conditions for generation of hall ticket through NCVT-MIS portal.

This issues with the approval of DG/AS.

Yours faithfully,

(Deepankar Mallick)

Dy. Director General (C, P & Admin)
