Subject: - Number of attempts for Instructor Trainees to pass All India Trade Test for Craft Instructors under Semester Pattern-reg.

Respected Sir,

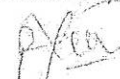

This has reference to letter no. DGE&T-19(11)/2010-CD dated 4-8-2010, vide which it was communication "There would be no restriction on number of attempts for instructor trainees to pass a module available within a period of three years from the date of admission in the first module. However, a trainee has to complete the training and pass all the modules within a period of three years from the date of admission in the first module of Instructor programme."

In this regard, after a detailed deliberation and in line with the guideline available for CTS Semester Pattern Examination on same subject. It has been decided that the trainees of CITS will be given 5 attempts i.e. 1st attempt will be a regular attempt and 4 additional chances to failed trainees to pass any semester examination of all India trade test(AITT) with in a period of 5 years from the year of appearing for the regular attempt of that semester.

It has been also discussed and decided, that if any trainee after selection through all India common entrance examination takes admission to any institute, but due to prolonged illness/ unforeseen circumstance, which are genuine in the discretion of Director of Institute, then the trainee will be permitted to continue the CITSTraining course in next session without appearing in All India Trade Test.

This letter is issued with the approval of DG/AS

Yours faithfully,

(P.N. Yadav)
Director (CFI)

Copy to: - Director WOT, for circulation to NVTI and RVTIs.
