**Subject: Spot admission round at NSTIs & ITOTs for filling up of CITS vacant seats for the academic session 2020-21-reg.**

**Sir,**

This has reference to CITS admissions for the academic session 2020-21. In this regard it is informed that after counselling and Mop up round, 2553 CITS seats are vacant at NSTIs & ITOTs which needs to be filled up. Hence spot admission is to be undertaken electronically/digitally by NIMI without the physical presence of the candidates in NSTIs whereby for spot admission in the nimionlineadmission portal, a window shall be opened for a period of 4 hours for all the candidates who have appeared & qualified in the AICET exam 2020 to register for spot admission & they shall be allocated NSTIs and ITOTs where vacant seats are available only on merit basis.

Before commencing the spot admission process one more opportunity may be given to the already admitted meritorious candidate to opt for transfer to NSTIs/ITOTs where vacancies are available.

In view of above, digital/electronic mode of spot admission may be scheduled for 3 days from 27<sup>th</sup> to 29<sup>th</sup>, January 2021 to fill up the vacant seats.

This issues with the approval of Competent Authority.

Yours faithfully,

(Harsh Vardhan Sharma)  
Assistant Director (CFI)
